

PIG FACTS

Overview

We make the *World's Best Stuff for Leaks, Drips and Spills*® and offer the world's largest selection of absorbent mats, socks, booms, pillows and wipers, as well as award-winning spill control and liquid management products. We also carry well-known, proven products for material handling, personal protection, spill response, liquid filtration, maintenance, and workplace safety — over 2,700 in all. PIG products have been used in more than 300,000 industrial, commercial, utility, institutional, military and government facilities in over 100 countries.

Who are we?

The Leak and Spill Experts. We revolutionized industrial leak and spill management forever with our PIG Original Absorbent Sock in 1985. Since then, we've been solving customers' tough leak and spill problems and leading the industry through innovation and expertise. Everything we do — whether it's a new product or service improvement — is dedicated to helping our customers keep their workplaces clean, safe and productive.

Customer Service
