Mr. Chris Iuzzolino  
New Pig Corporation  
One Pork Ave  
Tipton, PA 16684

Dear Mr. Iuzzolino:

Congratulations! The product you submitted for Phase 2 Testing has passed and is now certified as providing "High-Traction".

PIG® Grippy™ TRAFFIC MAT® Rug Absorbent Walk-on Surface was installed in a commercial facility for a period of 30 days, and tested under the ANSI/NFSI B101.1-2009 Test Method for Measuring Wet SCOF of Common Hard-Surface Floor Materials. Our on-site examination revealed Static Coefficient of Friction (SCOF) values greater than a 0.6 and therefore passed our Phase 2 level of certification.

An electronic version of the NFSI Certified logo may be obtained to which you are granted permission to attach to the PIG® Grippy™ TRAFFIC MAT® Rug Absorbent Walk-on Surface product label, sales literature, website, etc.

Again, congratulations and thank you for submitting your products to the NFSI.

Sincerely,

Russell J. Kendzior  
President
