

Match the mat to your task with color-coded PIG Mat.

Universal

Absorbs oils, coolants, solvents and water

- For everyday cleanup of leaks, drips & overspray
- Lasts 2X as long as ordinary mats
- Toughest on the market; keeps floors clean and dry

Gray

Light-, med- & heavyweight; for everyday applications

Blue

Light- & heavyweight; our most absorbent mat

Yellow

Light & heavyweight; hi-viz alerts workers

Oil-Only

Absorbs oils and oil-based liquids, not water

- For oil, diesel, gas, petroleum and fuels
- Only absorbs oil and fuels; water-repellent
- Indoors or out; floats to clean up spills on water

White

Light, med- & heavyweight; shows saturation & cleanup in progress

Brown

Light, med- & heavyweight; blends in, hides grime, looks cleaner longer

HazMat

Absorbs acids, bases and unknown liquids

- Chemical-resistant; won't degrade or react
- Absorbs even high concentrations
- Distinctive pink color alerts workers to hazards

Pink

Light & heavyweight; made for hazardous spill response
