<tbody>
<tr>
<td>Gray</td>
<td>Light-, med- &amp; heavyweight; for everyday applications</td>
</tr>
<tr>
<td>Blue</td>
<td>Light- &amp; heavyweight; our most absorbent mat</td>
</tr>
<tr>
<td>Yellow</td>
<td>Light &amp; heavyweight; hi-viz alerts workers</td>
</tr>
<tr>
<td>White</td>
<td>Light, med- &amp; heavyweight; shows saturation &amp; cleanup in progress</td>
</tr>
<tr>
<td>Brown</td>
<td>Light, med- &amp; heavyweight; blends in, hides grime, looks cleaner longer</td>
</tr>
<tr>
<td>Pink</td>
<td>Light &amp; heavyweight; made for hazardous spill response</td>
</tr>
</tbody>
</table>

### Oil-Only

**Absorbs oils and oil-based liquids, not water**
- For oil, diesel, gas, petroleum and fuels
- Only absorbs oil and fuels; water-repellent
- Indoors or out; floats to clean up spills on water

### HazMat

**Absorbs acids, bases and unknown liquids**
- Chemical-resistant; won’t degrade or react
- Absorbs even high concentrations
- Distinctive pink color alerts workers to hazards
