

Technical Data Sheet

This product contains no GHS hazards and are therefore exempt from OSHA Hazard Communications Regulations for Safety Data Sheets.

Technical Data Sheet: TDS-1002

Product Identifier: PIG® Water Hogs (WTR200.WTR203)

General Use: PIG® Water Hogs are designed to remove water from fuels such as gasoline, diesel, kerosene, Jet fuels, home heating oil, etc. The Water Hogs

Composition:

CAS: 9003-04-7 2-Propanoic Acid, Homopolymer, Sodium Salt

Storage Recommendations: Store Sealed in a cool, dry environment. Avoid long-term contact with direct or reflected sunlight or other sources of UV light, such as high- intensity lighting.

Shelf Life: Indefinitely, provided Storage Recommendations are observed.

Personal Protective Equipment (PPE):

Gloves: cloth, canvas, leather, or rubber gloves are recommended for extended use and a good industrial practice.
Eyes: Safety goggles or glasses with side shields as a good industrial practice

Fire Control Measures: Unused Form: Water, Foam, or carbon dioxide
Used Form: Extinguishing agents appropriate for absorbed liquid

Physical Properties:

pH: Not Applicable
Melting Point: Not Determined
Initial Boiling Point and Range: Not Applicable
Flash Point: Not Available Method: Not Applicable
Relative Density (H₂O = 1): Not Determined
Solubility in Water (25°C): Practically Insoluble
Auto-ignition Temperature: Not Determined
Maximum Working Temperature Not Determined

Stability & Reactivity:

Conditions of Reactivity: Not reactive under normal conditions
Incompatible Materials: Swells on contact with water
Conditions to Avoid: Incompatible materials
Hazardous Decomposition: Thermal decomposition may produce hydrogen (hydrocyanic acid), nitrogen (NO_x), and carbon oxides (CO_x)

Waste Disposal: This material is NOT defined as hazardous by the Resource Conservation and Recovery Act. It is the product user's responsibility to determine at the time of disposal whether a material containing the product or derived from the product should be classified as a hazardous waste.
